İSTİKLÂL MARŞI

Korkma, sönmez bu şafaklarda yüzen al sancak;
Sönmeden yurdumun üstünde tüten en son ocak.
O benim milletimin yıldızıdır, parlayacak;
O benimdir, o benim milletimindir ancak.

Çatma, kurban olayım, çehreni ey nazlı hilâl!
Kahraman ırkıma bir gül! Ne bu şiddet, bu celâl?
Sana olmaz dökülen kanlarımız sonra helâl.
Hakkıdır Hakk'a tapan milletimin istiklâl.

Ben ezelden beridir hür yaşadım, hür yaşarım.
Hangi çılgın bana zincir vuracakmış? Şaşarım!
Kükremiş sel gibiyim, bendimi çiğner, aşarım.
Yırtarım dağları, enginlere sığmam, taşarım.

Garbın âfâkını sarmışsa çelik zırhlı duvar,
Benim iman dolu göğsüm gibi serhaddim var.
Ulusun, korkma! Nasıl böyle bir imanı boğar,
Medeniyyet dediğin tek dişi kalmış canavar?

Arkadaş, yurduma alçakları uğratma sakın;
Siper et gövdeni, dursun bu hayâsızca akın.
Doğacaktır sana va'dettiği günler Hakk'ın;
Kim bilir, belki yarın, belki yarından da yakın.

Bastığın yerleri toprak diyerek geçme, tanı:
Düşün altındaki binlerce kefensiz yatanı.
Sen şehit oğlusun, incitme, yazıktır, atanı:
Verme, dünyaları alsan da bu cennet vatanı.

Kim bu cennet vatanın uğruna olmaz ki feda?
Şüheda fışkıracak toprağı sıksan, şüheda!
Cânı, cânânı, bütün varımı alsın da Huda,
Etmesin tek vatanımdan beni dünyada cüda.

Ruhumun senden İlâhî, şudur ancak emeli:
Değmesin mabedimin göğsüne nâmahrem eli.
Bu ezanlar -ki şehadetleri dinin temeli-
Ebedî yurdumun üstünde benim inlemeli.

O zaman vecd ile bin secde eder -varsa- taşım,
Her cerîhamdan İlâhî, boşanıp kanlı yaşım,
Fışkırır ruh-ı mücerret gibi yerden na'şım;
O zaman yükselerek arşa değer belki başım.

Dalgalan sen de şafaklar gibi ey şanlı hilâl!
Olsun artık dökülen kanlarımın hepsi helâl.
Ebediyyen sana yok, ırkıma yok izmihlâl;
Hakkıdır hür yaşamış bayrağımın hürriyyet;
Hakkıdır Hakk'a tapan milletimin istiklâl!

GENÇLİĞE HİTABE

Ey Türk gençliği! Birinci vazifen, Türk istiklâlini, Türk Cumhuriyetini, ilelebet muhafaza ve müdafaa etmektir.

Mevcudiyetinin ve istikbalinin yegâne temeli budur. Bu temel, senin en kıymetli hazinendir. İstikbalde dahi, seni bu hazineden mahrum etmek isteyecek dâhilî ve hâricî bedhahların olacaktır. Bir gün, istiklâl ve cumhuriyeti müdafaa mecburiyetine düşersen, vazifeye atılmak için, içinde bulunacağın vaziyetin imkân ve şeraitini düşünmeyeceksin! Bu imkân ve şerait, çok namüsait bir mahiyette tezahür edebilir. İstiklâl ve cumhuriyetine kastedecek düşmanlar, bütün dünyada emsali görülmemiş bir galibiyetin mümessili olabilirler. Cebren ve hile ile aziz vatanın bütün kaleleri zapt edilmiş, bütün tersanelerine girilmiş, bütün orduları dağıtılmış ve memleketin her köşesi bilfiil işgal edilmiş olabilir. Bütün bu şeraitten daha elîm ve daha vahim olmak üzere, memleketin dâhilinde iktidara sahip olanlar gaflet ve dalâlet ve hattâ hıyanet içinde bulunabilirler. Hattâ bu iktidar sahipleri şahsî menfaatlerini, müstevlîlerin siyasî emelleriyle tevhit edebilirler. Millet, fakr u zaruret içinde harap ve bîtap düşmüş olabilir.

Ey Türk istikbalinin evlâdı! İşte, bu ahval ve şerait içinde dahi vazifen, Türk istiklâl ve cumhuriyetini kurtarmaktır. Muhtaç olduğun kudret, damarlarındaki asil kanda mevcuttur.

Hello, I'm Linda. Last summer, my family and I stayed in a small beach house near a beautiful lagoon. Every morning, I woke up to the sound of the waves and watched the sea animals. I saw a dolphin jump out of the water and a crab crawl on the rocks. It was amazing!

One day, we went diving in the ocean. I swam with a group of colourful fish and saw a sea turtle hiding under a rock. I also saw something very bad. There were some plastic bags in the water. A jellyfish was in one of those plastic bags. My dad helped it and we took the bags out of the sea.

That night, we talked about protecting sea animals. My sister said, "We shouldn't throw rubbish into the sea." I said, "We must keep the sea clean." My parents were very happy because we cared about our nature.

The next morning, we went to the local market and bought fresh fruit and fish. We had a delicious lunch with grapes, green salad, and grilled fish. We ate together in front of our beach house and watched the calm sea. I felt happy. It was the most beautiful day of the summer.

PENGUINS

Penguins are amazing birds. People love them because they look cute. They live in the coldest places on Earth, like the Antarctica. There is ice and snow everywhere.

Penguins can't fly but they are great swimmers. They must swim in the ocean to find food. Their favourite food is fish.

Penguins are black and white. They use their flippers to swim. On ice and snow, penguins walk in a funny way. They waddle from side to side.

Some penguins are bigger or smaller than others. For example, the Emperor Penguin is the biggest penguin but the Little Blue Penguin is the smallest.

Penguins are friendly animals. They live in colonies. The colony can be large or small. Penguins stay together to keep warm.

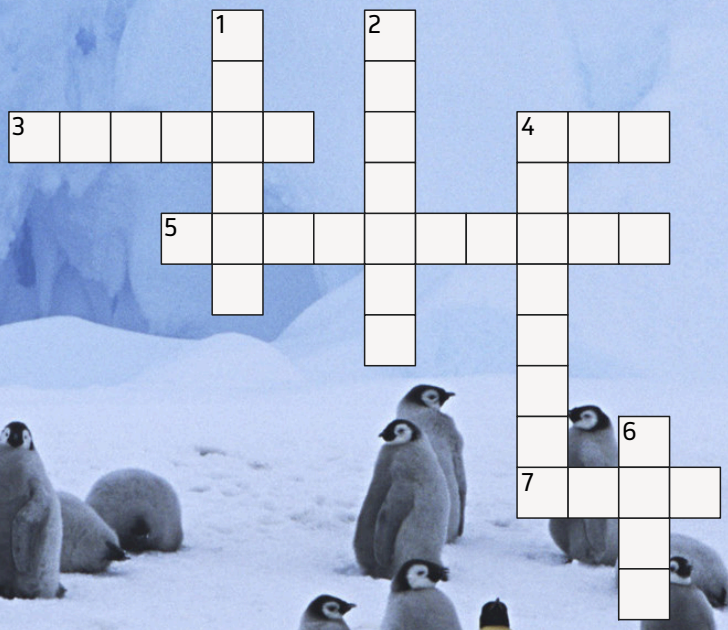

Penguins can communicate with each other! They have different calls to interact with other penguins in their colony. They make funny sounds.

Janet : Look at Tattoo. It is the most colourful of all birds, I guess.
Jack : Sure, it is! Its feathers are great. I love watching them.
Sara : Is it difficult to take care of a parrot?
Jack : Not much. It is easier than taking care of Max.

Janet : Why do you say that, Jack?
Jack : Max actually gets the lion's share of my time! He is more playful than Tattoo.
Sara : I see. He is a curious dog, isn't he?
Jack : Definitely! He is very active and he wants to smell everything in the house.
Sara : Oh, that can be dangerous.
Jack : Yes, he always knocks over my stuff, even my favourite plant. I'm afraid he will hurt himself.
Janet : Haha. Max, don't forget! Curiosity killed the cat!

Sara : He looks fat, Jack. Does he eat too much?
Jack : He always barks and wags his tail to ask for food even when he is full. I say to him, "Please stop crying wolf!"

THEME 3
PERSONAL LIFE

Scene 1

Ali: Hey, Melissa! Look at my new video game. In this game, you always make different characters and decide on their clothing and activities.
Melissa: Wow! That sounds very cool! First, let's make our character.

Scene 2

Jack: What are you two doing?
Melissa: We're playing a game on the computer. You make your characters and sometimes send them on a mission. Do you want to join us?
Jack: Sure! I love video games like this. Let's get started.

Scene 3

Ali: Okay, here is our first character, Lara. She's got curly hair and an oval face. She's thin and of medium height. What kind of activities should we choose for her?
Melissa: Hmm... She's an adventurer. She always watches the stars to find the way. Then she draws the paths on a map. She travels around the world and never stops. So, she needs comfortable clothes, doesn't she?
Jack: Sure! Let's give her jeans, a T-shirt, a jacket, and shoes. Oh, and a handbag, of course. She puts her maps and books in it.
Ali: Hmm, a raincoat, gloves, and an umbrella. Don't forget the rainy days in her adventures!
Melissa: Good idea, but she looks too ordinary. I think we should add a ring and a necklace for some style.
Jack: Maybe not, Melissa. She's going on an adventure, not a fashion show! She doesn't need to go shopping for fancy clothes, does she?
Melissa: You're right. Daily clothes are OK. Let's give her a mission.
Ali: How about looking for a treasure chest hidden in the forest?
Jack: Perfect! Oh, we've got a problem. She needs a friend. Let's make another character.

Scene 4

Melissa: This time, we should make a male character. He is tall with straight hair and a square face. What are his abilities?
Ali: He's Tom, the inventor! He usually makes some materials to help Lara during the journey. He also reads maps to find the way when they're lost.
Jack: So nice! He wears a jumper, jeans, and a belt. He also has a bag. What do you all think?
Melissa: That's fine, but he also owns a hat and boots.
Ali: Oh, no! I think this is the wrong colour for his boots. Let's sort out the problem.
Jack: Done! Now, let's decide what happens next.

Scene 5

Ali: Maybe they sometimes get lost in the forest. Then they meet a talking fairy. Rose. She helps them find their way.
Melissa: A talking fairy? That's very creative! She's got a cute face and always smiles. She's also got a small head, a small nose, two green eyes, two arms and hands, and ten fingers. She's got two short legs, and two small feet. She looks like a human but she has two green wings.
Jack: Haha! That's amazing! The fairy gives them a clue about the treasure chest. It says "Follow me! I can show you the route." They need to solve a puzzle first.

Scene 6

Melissa: Perfect! I have to leave now. I'll pop around to see you after dinner. Don't finish the game without me, please.
Jack: Don't worry, Melissa. We always have the best adventure all together!

THEME 4
FAMILY LIFE

Scene 1

Emma: Hey Mike, here's our family photo album! Let's look at some old photos!
Mike: Oh, great idea! I love looking at family photos.
Emma: Look at this one! We're having a picnic at the beach. My dad's fishing with my uncle and my mum's having a barbecue. My brother, James is playing a board game with me as usual.
Mike: You're having so much fun, aren't you?
Emma: Yes, lots of fun!
Mike: Here is a photo of us camping! Camping is an important organisation in our family! We're in the forest. My mum's tidying up the tent and my dad's taking care of our pet, Itsy. Look! I'm cycling with my sister, Tina. Our bicycles are new!
Emma: I remember that day! We have so many good memories, don't we?
Mike: Exactly! There is another photo of my mum and dad at a festival. My mum's dancing and my dad's taking her photographs with the camera.
Emma: Is that your dad's own camera?
Mike: Yes, it's his.

Emma: He doesn't like dancing, does he?
Mike: No, he never dances!
Emma: My dad is the same but your parents are very active, aren't they?
Mike: Hmm... That's right. They always focus on resting and relaxing on holidays, but they organise great things on special days.
Emma: I know. Oh, that's my favourite.
Mike: Yeah, it's a photo of our families at an art museum. We're looking at paintings of your aunt, Sally.
Emma: Such a fantastic day! We enjoy the artistic works.
Mike: The last one... It's from my birthday party. We're playing with balloons all together. What an enjoyable day!
Emma: Yeap! I love everything about your parties, especially the food. Your grandmother always makes the best biscuits and sandwiches. Your grandfather also plays great songs with his guitar. They're a nice couple, aren't they?
Mike: Thanks Emma! They always join in the fun. That's why I love family events.
Emma: We each have specific roles at these events. All the family members do their tasks.
Mike: It makes the day great, doesn't it?
Emma: Sure, it does. So, we can organise a trip for the weekend holiday.
Mike: That sounds good! Let's ask our parents.

THEME 5
LIFE IN THE NEIGHBOURHOOD AND CITY

Scene 1

Mr Carter: Hello, I'm Sam Carter. I want to hire a house in Türkiye. Can you help me, please?
Agent: Of course, Mr Carter. I am Henry Bell. Please, have a seat. Which city do you prefer?
Mr Carter: Well, I'm looking for a house in Muğla. A friend of mine lives there. So, I want to see it and stay there during the summer.
Agent: OK. I can show you some houses in Bodrum and Akyaka.
Mr Carter: What are the differences between these two towns?
Agent: Well, Akyaka is smaller and more peaceful than Bodrum. Bodrum is hotter and more crowded. In Bodrum, there are a lot of shops and sports centres near the square. There are also some ancient sites, mosques, a castle, and a museum.
Mr Carter: Oh, I see. I want to stay in a smaller and quieter place. I think it is better for me. So, please tell me more about Akyaka.

Scene 2

Agent: All right, Mr Carter. People love Akyaka. They take lots of photos of its beautiful nature. The neighbourhood is very quiet and peaceful. There is a street fair on the corner near the beach. People sell handmade accessories.
Mr Carter: Well, is there a cinema in the town?
Agent: No, there isn't. Everybody goes to the open-air cinema just outside the town.
Mr Carter: Oh, OK.
Agent: There is a gym near the square and you can also attend the social events in the town. At this time of the year, there are paintings by local artists displayed along the street. They are wonderful and you feel like you are walking through an art gallery.
Mr Carter: Hmm, that's great. What about water sports?
Agent: Well, people swim and fish there. They can jump into the sea from a platform. They also experience and enjoy windsurfing on Akyaka's coast.
Mr Carter: They all sound wonderful. Now, what can you tell me about the house?
Agent: There are two bedrooms, a large sitting room, and a bathroom in the house.
Mr Carter: Is there a dining room?
Agent: Oh, no. There is not a dining room in the house, but you can use the kitchen or balcony for meals. There is a wide table in the garden, so you can enjoy your meals there. It is even better than eating indoors, isn't it?
Mr Carter: Yes, I think so.
Agent: There is a garage outside, too. So, this house is more comfortable than a flat. And it is close to the beach. Everybody walks or cycles to the beach easily.
Mr Carter: Oh, it's good for me. What about the furniture? Is it furnished?

Agent: Yes, it is a move-in-ready house. You'll use the owner's furniture. You don't need to repair anything in this brand-new house. There are two armchairs, a wide sofa, and a bookcase in the sitting room. There are three beds and two wardrobes in the bedrooms. There is a cupboard in the kitchen, and you can find spoons, forks, knives, and plates on the bottom shelf. There is also a fridge, an oven, and a dishwasher in the kitchen. There is a toilet and a bath in the bathroom.

Scene 3

Mr Carter: Everything seems perfect. It's suitable for me and my family. I'd like to see this house.
Agent: Sure. Feel free to contact me any time. I can guide you and take a tour.
Mr Carter: Thank you so much. Have a nice day.
Agent: Have a nice day!

THEME 6

Waiter: Of course, we have! When would you like to come, Mr Bell?
Mr Bell: Tomorrow evening, around 7 p.m.
Waiter: Let me check. Yes, I'm reserving a table for you at 7 p.m.
Mr Bell: Brilliant! What's on the menu?
Waiter: We've got a special menu for the Food Festival. The chef prepares a special dish with fresh, healthy home-made salad. He also recommends our soft, home-made bread served with soup.
Mr Bell: Tasting special dishes sounds lovely! Can I order when I get there?
Waiter: Yes, of course. We will serve you straight away.
Mr Bell: Perfect! Can I pay by card?
Waiter: Sure. You can pay by card or in cash.
Mr Bell: Great, thank you.
Waiter: We look forward to welcoming you tomorrow at 7 p.m. See you then!
Mr Bell: See you!

Scene 2

Waiter: Good evening! Do you have a reservation?
Mr Bell: Yes, we do. I'm Mr Bell.
Waiter: I see. This way, please.
Mr Bell: Thanks.

Scene 3

Waiter: May I take your order? What would you like to have?
Mr Bell: Could we see the menu?
Waiter: Certainly. Here you are, I'd recommend the chef's special. Beef with mashed potatoes on the bottom and a special sauce on the top. The chef cooks it slowly.
Mr Bell: Hmmm... That sounds delicious. I'll have that, please.
Waiter: How would you like your meat? Rare, medium, or well-done?
Mr Bell: Medium, please. And could you make sure it's not too fatty?
Waiter: Of course! Would you like a starter?
Mr Bell: No, thanks. The beef is more than enough.
Waiter: What would you like to drink?
Mr Bell: A glass of soda water, please.
Waiter: And for you, madam?
Ms Bell: I don't want to put on weight, so I'd like something light.
Waiter: May I suggest a bowl of tuna salad with a small amount of boiled beans?
Ms Bell: Yes, I think I'll go for that, but no oil, please.
Waiter: Sure. Anything to drink?
Ms Bell: Yes, I'd like a smoothie, please.
Waiter: All right!
Mr Bell: Can you recommend something sweet? I'm in the mood for dessert.
Waiter: Certainly! We have a delicious apple tart and a lemon cheesecake. Both are very tasty. We make the cheesecake with high-quality dairy.
Mr Bell: I'd love to try the apple tart. Does it contain any nuts? I'm allergic to nuts.
Waiter: No, not at all, sir.
Mr Bell: Brilliant! I'll have the apple tart, then.

Thank you!
Waiter: You're most welcome, sir! And for you, madam?
Ms Bell: Just some sugar-free ice cream, please!
Waiter: Of course, madam. Your meals will be ready soon.

Scene 4

The Chef: Good evening, sir and madam. I hope you enjoy our special dishes.
Mr Bell: Absolutely, chef! The service is excellent! The beef is tasty. What's special about the recipe?
The Chef: I can give you some tips, sir. First, I prepare a sauce with a bit of oil and spices. I cut the beef carefully and marinade the beef slices in the sauce for a couple of hours.
Mr Bell: It smells wonderful. What happens after marinading?
The Chef: I boil some potatoes and mash them with some salt and butter. Then I heat the pan and cook the beef slices on both sides. Then I add some butter and garlic. I put some mashed potatoes and the beef on a clean plate carefully. I add some spices on top of it. And finally, there's a little secret ingredient that I can't tell you about.
Mr Bell: Chef, I really enjoyed it. Thank you for the wonderful meal.

THEME 7
LIFE IN NATURE

Scene 1

Elif: What a brilliant national park! Wow, look at that huge elephant! Its tusks are so big! Do you think the elephant is bigger than the giraffe?
Toprak: Hmm, the elephant is a bigger mammal but the giraffe is definitely taller. Giraffes are the tallest animals! They can eat the leaves of high trees in the savanna.
Elif: You're right. Oh, there's a lion, the king of the jungle! It's so furry. And look at those strong paws!
Toprak: Yeah, the lion runs faster than the tiger, doesn't it?
Elif: No way! The lion's strong but the tiger can run faster. The tiger's also the best hunter in the forest.
Toprak: And the eagle must be the best hunter in the sky, right?
Elif: Sure. Look, it has large wings. The eagle can fly higher than the parrot. It can also see better than other birds. It lives in the mountains.
Toprak: Cool! Do you see the wolf? It's wild and it can attack other animals in nature.
Elif: Oh, poor zebra! The zebra must be quick to survive. Look at the monkey swinging. It's so funny. What a long tail it has!
Toprak: I love monkeys. You know, the monkey can climb better than the bear.
Elif: Yes, the bear is enormous and strong but the monkey can move and climb better in the forest. It is a very quick mammal.
Toprak: This place is amazing, isn't it? Oh, look! There are so many bees. We'd better be careful.
Elif: Definitely! Here's my favourite. Look at the crocodile swimming. Crocodiles are good swimmers. Ohhh!
Toprak: Why do you close your eyes, Elif?
Elif: Look! There's a snake. It's so quiet and scary. Do you think a gorilla can move faster than a snake?
Toprak: A gorilla? Of course, not! A snake is much faster. It's a reptile and it's one of the quickest animals in the field.
Elif: We must go and have a look at the leopard. This national park is amazing, Toprak. All these animals have such cool skills!
Toprak: That's true. From birds to insects, each animal here can do something special. This is the most interesting national park ever!

Ms Stark: Hey kids! Come here. We're talking about our half-term holiday.
Justin: Oh, are we going somewhere?

Susan: Yay! Can I help you plan the trip?
Ms Stark: Of course, we want everyone to be involved in planning. It's going to be fun for the whole family.
Justin: Where are we going first?
Mr Stark: Our first stop is a famous desert. The temperature will be high there, so we should pack hats, sunglasses, and sunscreen. We are going to need them.
Susan: I really want to see a desert. We can take photos there, can't we?
Ms Stark: Definitely! We're also going to ride a camel there. After exploring the desert, we're going to go to a nearby valley. We will enjoy the view when the Sun rises. The clear blue sky and colourful rocks are going to look amazing in our photos.
Justin: That sounds fun but are we going to have time to relax?
Mr Stark: Sure, we are going to spend time by a calm lake after all those activities. We can also enjoy a picnic there together. Then we're going to rest at a cosy hotel near the ocean. Everyone recommends it! You can relax while listening to the waves, Justin. It's going to be so peaceful.
Susan: Cool. We should do something fun too, right?
Mr Stark: What do you recommend?
Susan: I want to go to an amusement park to ride the fastest roller coaster. It's going to be so much fun!
Ms Stark: Of course.
Justin: I can't wait. Are we going to visit historical places, too?
Mr Stark: Yes, I'm going to book a sightseeing tour for us. We can see historical places, towers, bridges, mosques, and more...
Susan: Can we invite our cousins to join us on the tour?
Ms Stark: Of course! We can go together to a museum, too!
Susan: Great. It's going to be a great opportunity for all of us to see many animals from different continents.
Justin: What about the beach? Are we going to spend time there, too?
Ms Stark: Sure. We're going on a jolly to the seaside at the end of our holiday. You can swim, build sandcastles, and collect seashells together. You're going to enjoy the lovely weather.
Justin: This is going to be the best holiday ever!

Ms Stark: Let's make this half-term holiday unforgettable.

THEME 4 - FAMILY LIFE

Yes/No Game:
Try to make your classmates say 'Yes' or 'No'. Make groups of 6-8 with your classmates. Choose who is going to answer first. Ask him/her questions. For example: -Are you a student? -I am a student! If he/she says 'yes' or 'no', it is another student's turn to answer the questions.

THEME 5 - LIFE IN THE NEIGHBOURHOOD

Whose Weekend:
Write down three things you did at the weekend on a piece of paper. Fold your paper and mix all the papers. Pick one of them randomly and try to guess whose activities they can be as a whole class.

THEME 6 - LIFE IN THE WORLD

Change Place Game:
Make a big circle and sit down. Choose one student to stand in the middle.
This student will give you an instruction.
For example: Change your place if you are wearing a white T-shirt. All the students wearing white T-shirts must stand up and change their places. The student who does not have a seat will give the next instruction.

THEME 7 - LIFE IN NATURE

Clapping Game:
Make a big circle with all of your classmates. Everyone closes their eyes. You must avoid clapping at the same time with others. If two or more students clap together, they are out of the game.

THEME 8 - LIFE IN THE UNIVERSE AND FUTURE
